## Great news for donors!

The provincial charitable tax credit on annual donations over \$200 is now 21%. When added to the federal charitable tax credit of 29%, you receive a 50% non-refundable tax credit for every dollar donated over \$200.

This means that a \$500 donation would receive a combined federal and provincial charitable tax credit of \$200.

## Leverage your donation!

IAF will leverage your donation by applying to the *Community Spirit Program Donation Grant*. Grants up to \$25,000/year (maximum \$50,000 over three years) are available to charities that receive a minimum of \$1,000 in donations from individuals over a 12-month period and can be used to help support operations, programs or capital projects.
